

# Hilliard Bradley Athletic Boosters

---

**February 11, 2013- 7:00 PM - Hilliard Bradley High School**

Called to order at 7:09.

Sheryl Hatcher – President:

- Welcome to February meeting. Introduction of officers made. Vice President not present (vacation).
- Start thinking about officer positions being vacated in June. On the May ballot, the positions of President, Treasurer and Secretary will all be open. If anyone is interested in any of these positions, you may shadow, ask questions, etc. Biographies of those interested will be gathered and ballots will be updated in April and voting will take place in May.

Introduction of Coaches present:

- Ben Lilly - Boys and Girls Tennis
- Matt Gilkerson – Boys Baseball
- Zach Franklin – Boys Volleyball
- Pat Billman – Boys Soccer
- Thom Nees – Girls Track
- Andrew Buck - Boys Lacrosse
- Ben Gadfield – Boys Track
- Becky Mottlow - Girls Lacrosse

Nic Gaston – Athletic Director:

- Wrapping up winter sports; Competition Cheer, Gymnastics and Girls Bowling won OCC.
- Boys and Girls Basketball getting ready for tournaments.
- Wrestling is hot and heavy. Did really well against Darby. Great environment.
- Baseball had a great fundraiser. Good outing and made basketball more enjoyable with more people attending.

Jeff Sczpanski – Athletic Trainer:

- Wanted to advise of a change with the beginning of Spring Sports and that is that parents and athletes will need to go online to pay to play on Home Access. Also, concussion legislation is now law and there is a concussion piece on Home Access and it will be required that parents acknowledge the rules.
- OHSAA will be more conservative when the athlete can return after an official removes an athlete from game play. More information on athletic website.
- Physicals are not going to be here at Bradley. Struggling with physician coverage. An alternative to that is regional sites. Next year there should be a site in Hilliard. New rules from OHSAA. Please see Athletic Department website for complete details.

Motion to approve January Minutes: 1<sup>st</sup> – Phil Popovec; 2<sup>nd</sup> – John Krochmal; all approved.

Doug Beveridge – Vice President:

- Absent.

Lisa Miller – Secretary:

- Asked everyone to update the sign-in sheet on which committee they are currently serving.
- If you are a new member and have decided what committee you want to join, please remember to add it to the sign-in sheet.
- Explained that J. Duncan Photography has offered his services at the rate of \$150 to come to any game to take action photos of the entire team. This cost can either be paid by the sport (after discussing with the coach and/or trustees) or the cost can be split among parents. This can solve a lot of teams' issues with getting the entire teams photos instead of having too many photos of the same athletes. This could aid Mary Alpeter in production of the sports DVD. Additionally, after taking the photos, ANYONE can download as many pictures as they want directly from the Duncan Photography website.

Kelly Montgomery – Treasurer:

- Financial given: general session and steering committee allocation for January will be in February's finances.
- The November and December concessions should also be in February's financials.
- All other fundraisers should be included in this month's.
- Bowling tournaments will be in February as well as baseball's fundraiser.
- Concessions has really kept things going and is really carrying us this year. Big thanks to John/Becky.
- Top sales for last year's mulch ... a check will be distributed to Alena Alpeter as the top seller (over 800 bags of mulch sold). As soon as it is determined whether or not the other two top sellers are still at Bradley, those winners will be announced.
